WHAT'S THE DIFFERENCE BETWEEN TWO GENERATIONS

INSTALLATION

2019

2020

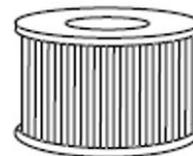

SUPPLEMENT

2019

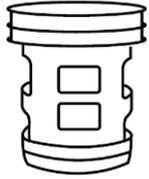

REPLACE THE WHOLE SET

2020

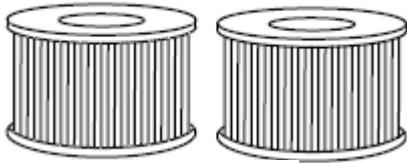

ONLY REPLACE THE CARTRIDGE.
DO NOT THROW AWAY THE BASE.

CAN I USE 2020 VERSION FOR MY PREVIOUS SPA MODELS

B0302950

B0302949

Of course you can.

For first time, make sure you purchase both base (B0302950) and filter cartridge (B0302949).

After that, you just need to purchase filter cartridge (B0302949) each time.
