

LION Boards™ and REACH

In terms of REACH hardboard is an article and it is not in general covered by REACH.

We, Finnish Fibreboard Ltd, as the producer of LION Boards™, declare that LION Boards™:

- do not contain substances which are intended to be released during normal and reasonably foreseeable conditions of use from an article
- do not contain substances which restrictions are under consideration¹⁾ or substances included in the candidate list²⁾ and which are present in articles above a concentration limit of 0.1% weight by weight
- do not contain substances included in the Authorisation List³⁾

Because none of above listed terms do not relate to LION hardboard, REACH regulations do not add any new obligations between our customers and Finnish Fibreboard Ltd.
